Wide Appeal For Sustainability

“...THE FREER STEP, THE FULLER BREATH, THE WIDE HORIZON’S GRANDER VIEW;
THE SENSE OF LIFE THAT KNOWS NO DEATH—THE LIFE THAT MAKETH ALL THINGS NEW.”
—*Christian Science Hymnal 218*

A CAMPAIGN FOR CHRISTIAN SCIENCE NURSING AT WIDE HORIZON, INC.

The mission of Wide Horizon, Inc. is to provide Christian Science nursing, facilities, and support for those seeking healing accomplished through complete reliance on Christian Science as taught by Mary Baker Eddy.

**THE WIDE HORIZON FAMILY INVITES
YOU TO LEARN ABOUT A CAMPAIGN
TO RAISE \$6 MILLION OVER 5 YEARS TO SUSTAIN
CHRISTIAN SCIENCE NURSING AT WIDE HORIZON IN
THE ROCKY MOUNTAINS AND GREAT PLAINS REGION.**

Have you ever wondered how different our practice of Christian Science (or our lives) would be without Christian Science nursing to turn to in time of need? Our Christian Science nurses are on the front lines supporting our Cause by providing care to fellow Christian Scientists as they endeavor to practice spiritual healing. In this light we at Wide Horizon have been renewing our deep appreciation for their sacred way of caring for those in need. This is our healing ministry for all sincere seekers of Truth.

Testimonial from Practitioner

A Christian Science practitioner who visits Wide Horizon shared, *“During my visits with patients at Wide Horizon, I have watched the care of Christian Science nurses in their firm and loving way. These Christian Science nurses are holding ‘thought steadfastly to the enduring, the good, and the true...’ (Science and Health, p. 261). They are supporting and expecting healing.”*

Testimonial from Patient

A patient writes, *“I became limited in my movements with considerable discomfort...I was taken to Wide Horizon... where I remained for five months...this was a time of spiritual growth... I began to gradually improve... When it was evident that I was getting well enough to go home, the Christian Science nurses started preparing me for this event...I was and am so grateful for the loving and strong support of such wonderful Christian Science nurses who helped me demonstrate my God-given dominion.”*

Have you ever thought of Christian Science nursing as a church activity? Our Leader, Mary Baker Eddy, literally made Christian Science nursing a church activity—one that supports the Christian Science practice and healing—by providing a bylaw for it in the *Church Manual*. We are therefore appreciating Christian Science nursing as part of Church. We believe development efforts for Christian Science nursing supports fellow Christian Scientists in our vast region, and ultimately the Cause of Christian Science and all mankind.

Wide Horizon currently employs 22 nurses working three shifts 24/7 providing:

- ❖ **Christian Science Nursing Care.** The highest level of Christian Science nursing care is provided to guests with significant physical needs.
- ❖ **Christian Science Care.** Lower levels of Christian Science nursing care to aid guests who maybe ambulatory and able to handle basic personal tasks, including eating on their own.
- ❖ **Outpatient Services.** For those who can travel to Wide Horizon, but do not need to stay at the facility, Christian Science nurses minister to a variety of patients' needs on site, including cleansing and bandaging of wounds.
- ❖ **At-Home Care.** Wide Horizon Christian Science nurses can arrange to visit your home to provide care when needed, in some cases on an emergency basis.

Wide Horizon also makes available **Rest and Study** and **Residential Living** at Horizon House for those students of Christian Science who seek a respite from daily cares and a peaceful retreat for spiritual renewal.

In addition to Wide Horizon's Annual Fund, we have developed a five year plan—"Wide Appeal for Sustainability." Our goal is to raise an additional \$3.5 million for investments. Our objective for this plan is to provide sustainability and continuity of Christian Science nursing at Wide Horizon for the long term.

SUMMARY OF GOALS

ANNUAL FUND	\$2,500,000
WIDE APPEAL FOR SUSTAINABILITY	\$3,500,000
TOTAL GOAL 2017-2021	\$6,000,000

 - **A Will and/or Trust.** The best means for transfer of your wealth depends on your financial circumstances, your plans for the distribution of your property, and the state in which you reside. Decisions on the choice of documents and their preparation usually require the assistance of an attorney.
 - **Charitable Organizations as Beneficiaries** — An easy, direct way to provide for your best-loved charities is to change the beneficiary designation on an IRA or life insurance policy to the names of those organizations. When these assets are gifted to individuals, they are considered as taxable income; when they are gifted to a charitable organization, they are tax free.

Thank You
