Wide Appeal For Sustainability

“...THE FREER STEP, THE FULLER BREATH, THE WIDE HORIZON’S GRANDER VIEW;
THE SENSE OF LIFE THAT KNOWS NO DEATH—THE LIFE THAT MAKETH ALL THINGS NEW.”

—*Christian Science Hymnal 218*

The mission of Wide Horizon, Inc. is to provide Christian Science nursing, facilities, and support for those seeking healing accomplished through complete reliance on Christian Science as taught by Mary Baker Eddy.

“LET US FEEL THE DIVINE ENERGY OF SPIRIT, BRINGING US INTO NEWNESS OF LIFE AND RECOGNIZING NO MORTAL NOR MATERIAL POWER AS ABLE TO DESTROY. LET US REJOICE THAT WE ARE SUBJECT TO THE DIVINE ‘POWERS THAT BE.’” —*Science and Health*, p. 249

“TO THOSE LEANING ON THE SUSTAINING INFINITE, TODAY IS BIG WITH BLESSINGS.”

—Science and Health, p. vii

Have you ever wondered how different our practice of Christian Science (or our lives) would be without Christian Science nursing to turn to in time of need? Our Christian Science nurses are on the front lines supporting our Cause by providing care to fellow Christian Scientists as they endeavor to practice spiritual healing. In this light we at Wide Horizon have been renewing our deep appreciation for their sacred way of caring for those in need. This is our healing ministry for all sincere seekers of Truth.

“JESUS ESTABLISHED HIS CHURCH AND MAINTAINED HIS MISSION ON A SPIRITUAL FOUNDATION OF CHRIST-HEALING.” —*Science and Health*, p. 136

Testimonial from Practitioner

A Christian Science practitioner who visits Wide Horizon shared, *“During my visits with patients at Wide Horizon, I have watched the care of Christian Science nurses in their firm and loving way. These Christian Science nurses are holding ‘thought steadfastly to the enduring, the good, and the true...’ (Science and Health, p. 261). They are supporting and expecting healing.”*

“THE NURSE SHOULD BE CHEERFUL, ORDERLY, PUNCTUAL, PATIENT, FULL OF FAITH,—RECEPTIVE TO TRUTH AND LOVE.” —*Science and Health, p. 395*

Testimonial from Patient

A patient writes, *“I became limited in my movements with considerable discomfort...I was taken to Wide Horizon... where I remained for five months...this was a time of spiritual growth...I began to gradually improve...When it was evident that I was getting well enough to go home, the Christian Science nurses started preparing me for this event... I was and am so grateful for the loving and strong support of such wonderful Christian Science nurses who helped me demonstrate my God-given dominion.”*

“A GRATEFUL HEART A TEMPLE IS, A SHRINE SO PURE AND WHITE, WHERE ANGELS OF HIS PRESENCE KEEP CALM WATCH BY DAY OR NIGHT.” —*Christian Science Hymnal, 3*

Have you ever thought of Christian Science nursing as an activity of Church? Our Leader, Mary Baker Eddy, literally made Christian Science nursing a church activity—one that supports the Christian Science practice and healing—by providing a bylaw for it in the *Church Manual*. We are therefore appreciating Christian Science nursing as part of Church. We believe development efforts for Christian Science nursing supports fellow Christian Scientists in our vast region, and ultimately the Cause of Christian Science and all mankind.

“...A CHRISTIAN SCIENCE NURSE SHALL BE ONE WHO HAS A DEMONSTRABLE KNOWLEDGE OF CHRISTIAN SCIENCE PRACTICE, WHO THOROUGHLY UNDERSTANDS THE PRACTICAL WISDOM NECESSARY IN A SICK ROOM, AND WHO CAN TAKE PROPER CARE OF THE SICK.”

—*Church Manual*, p. 49

Wide Horizon currently employs 22 nurses working three shifts 24/7 providing:

- ❖ **Christian Science Nursing Care.** Different levels of Christian Science nursing care are offered to meet a wide range of needs for guests who may require some assistance during their day to those with significant physical challenges to overcome.
- ❖ **Outpatient Services.** Christian Science nurses minister to individuals who can travel to Wide Horizon but don't need to stay at the facility, caring for various physical needs such as cleansing and bandaging wounds.
- ❖ **At-Home Care.** Christian Science nurses at Wide Horizon may be able to arrange for a CSN to visit your home to provide care when needed, in some cases on an emergency basis.
- ❖ **Telephone Consultation.** We are always available for consultation regarding Christian Science nursing. Call to speak with a Christian Science Nurse Supervisor, 303.424.4445 ext. 3033.

Wide Horizon also makes available **Rest and Study** and **Supervised Residential Living** at Horizon House for those students of Christian Science who seek a respite from daily cares and a peaceful retreat for spiritual renewal.

In addition to Wide Horizon's Annual Fund, we have developed a five year plan—"Wide Appeal for Sustainability." Our goal is to raise an additional \$3.5 million for investments. Our objective for this plan is to provide sustainability and continuity of Christian Science nursing at Wide Horizon for the long term.

 - **A Will and/or Trust.** The best means for transfer of your wealth depends on your financial circumstances, your plans for the distribution of your property, and the state in which you reside. Decisions on the choice of documents and their preparation usually require the assistance of an attorney.
 - **Charitable Organizations as Beneficiaries** — An easy, direct way to provide for your best-loved charities is to change the beneficiary designation on an IRA or life insurance policy to the names of those organizations. When these assets are gifted to individuals, they are considered as taxable income; when they are gifted to a charitable organization, they are tax free.

Thank You
