RE: Supervised Residential Living

We are grateful for your commitment to be a resident at Wide Horizon. Your presence adds to our community of spiritual thinkers. Wide Horizon offers independent living in an environment conducive to inspiration, peace, spiritual progress and healing. Our cozy apartments in Horizon House are available to dedicated students of Christian Science who desire to live actively.

Residents will enjoy:

- Weekly housekeeping and laundry service
- Three well-prepared meals daily in the main dining room
- A community of Christian Science friends
- Time to actively support the Cause of Christian Science
- A loving and supportive staff
- A well-appointed library
- Activities in the main building
- Enriching programs, inspirational talks, spiritual study, hymn sings
- Scenic mountain views, walking paths, gardens, a peaceful pond, assorted wildlife
- Reasonable monthly rates (currently \$2,400)

Please note all residents must complete a Horizon House admission application and agreement. In addition, at times Wide Horizon may negotiate the monthly rate and/or provide a residential room (rooms 9 & 10) in the Main Building to meet a specific need.

Being here at Wide Horizon is an opportunity to bless and be blessed by the healing atmosphere of Soul, Spirit.

Gratefully yours,

D. Brian Boettiger
