

W I D E H O R I Z O N , I N C .
A Christian Science Nursing Facility

September 15, 2020

Dear Friends,

We cordially invite you to attend the Wide Horizon 2020 Annual Meeting on Saturday, October 24, from 2:00 to 4:00 p.m. virtually via Zoom.

To register for this Zoom meeting go to www.widehorizon.org.

Our theme is *“Christian Science Nurses as Witnesses to Divine Law.”* The inspirational speaker will be Christie Hanzlik, CS, of Boulder, Colorado. Christie is a Journal-listed Christian Science practitioner and former member of the Christian Science Board of Lectureship. She serves in many capacities at her branch church and as chair of the Christian Science Institutional Committee of Colorado. Also, Christie has addressed numerous Christian Science Associations and Organizations, and she loves partnering with Christian Science nurses as a practitioner at Christian Science summer camps.

Although there have been numerous new regulations and restrictions during the past months, Wide Horizon continues to be a safe haven and quiet home to Christian Scientists who need Christian Science nursing care or who wish to live on campus as residents. We also continue to be a resource to the Christian Science community.

In addition, we are sincerely grateful to all donors for any contribution during this time. In this light, receiving regular donations in recognition of the importance of Christian Science nursing is important to the sustainability of Wide Horizon’s daily service to the community. Please consider the option of monthly giving to Wide Horizon.

Please return the enclosed membership form in the envelope provided by Friday, October 23.

We know with you during these unprecedented times that *“With God all things are possible.”*
Mark 10:27

Gratefully yours,

*Jennifer Babcock, Doug Izmirian, Andrea Jenks McCormick, Doug Patti,
Bob Reiman, Lydia Roberts, David Shawaker*
